

STATIC DISPLAY DO328-100 AT SCHIPHOL AIRPORT

Tuesday 27 June EASP AIR and teaming partners Aerodata and AeroRescue presented at Schiphol Airport the versatile, multirole DO328-100 MPA in its current configuration. This is the configuration as the MPA is currently stand-by for FRONTEX Maritime Surveillance missions.

For more information on multirole options : EASP AIR / www.easpair.nl / info@easpair.nl / (+31) 20 421 00 10

Schiphol, 27 June 2017
